PROFESSIONAL PROFILE

Final-year **Business Information Systems** undergraduate at **UTAR** combining strong foundational training in enterprise workflows with intensive, real-world technical expertise in **bare-metal PC assembly, hardware diagnostics, and modern web engineering**. Built over 100+ desktop systems with a verified track record in diagnosing BSOD errors, POST failures, and driver issues. Possesses commercial experience in production web development and multimedia systems, ready to deliver disciplined, proactive, and customer-centric IT support and enterprise solutions.

WORK EXPERIENCE

Independent IT Support & Hardware Specialist • Freelance — 2022 – Present

- **Bare-Metal PC Engineering:** Sourced, assembled, and stress-tested **100+ custom desktop workstations** for gaming, office, and production workloads with clean cable routing and airflow optimization.
- **Diagnostic Triage & Repair:** Diagnosed and resolved hardware component failures, BIOS/UEFI boot faults, POST failure codes, and BSOD system crashes with rapid turnaround.
- **OS Deployment & Optimization:** Performed clean installations of Windows 10/11 and Linux, automated driver provisioning, storage partitioning, and system performance tuning.
- **Networking & Remote Support:** Configured secure SOHO wired/wireless networks, router security parameters, static IPs, and delivered remote troubleshooting via AnyDesk and TeamViewer.

Web & Video Production Specialist • Topper Six Sdn Bhd — 2024 – 2025

- **Web Development & Launch:** Built and deployed responsive brand website (toppersix.com.my), optimizing mobile viewport performance and user checkout flow.
- **Digital Asset Production:** Produced high-converting promotional video campaigns and visual product assets aligned with corporate brand guidelines, directly driving inbound sales leads.

Digital Marketing & Multimedia Executive • Total Marketing Sdn Bhd — 2023 – 2024

- **Campaign Media Production:** Produced video advertisements, managed creator outreach (KOL/KOC), and designed high-converting promotional landing pages for lead generation.

Front Desk Executive & Gaming Operations • The Haven Ipoh / Genting — 2019 – 2022

- Maintained flawless numerical accuracy, strict procedural compliance, and professional dispute resolution in 5-star hospitality and regulated gaming environments.

FEATURED TECHNICAL PROJECTS

AI-Powered No-Code Web Builder (Final Year Project — UIXUPRO) — `shanyong777.github.io/uixupro` ↗

Architected an intelligent website generation suite using **React 19, Vite, Tailwind CSS, Firebase**, and integrated **Google Gemini & Ollama APIs** for real-time prompt-to-layout synthesis and zero-server headless deployment.

Topper Six Commercial Enterprise Web Showcase — `toppersix.com.my` ↗

Developed a comprehensive furniture catalog portal with optimized image pipelines, dynamic lead capture forms, and cross-browser responsive layouts.
